## THURSDAYS

### 1: HACKENSACK - Avian Wu / Lilli Unwin, Rob Luft Duo

Hackensack is a monthly event held on Thursdays at Cafe Jazz. The focus is on the NEW and the FRESH and operates mainly, but not exclusively within the realm of jazz and improvised music. Double bills every month.

#### Avian Wu

This newly formed chordless trio burns up the silence into a shining combination of pyrotechnic exploration and humble tribute to some finely selected contemporary repertoire.

Eddie Jones-West (Drums) - Coren Sithers (Alto sax) - Ben Manning (Double bass)

#### Lilli Unwin with Rob Luft

Lilli Unwin is an enchanting, soulful young singer and composer, visiting Hackensack from London, where, since graduating from Trinity Laban Conservatoire, she has been developing her original material as well as touring and collaborating with some of the UK's finest jazz musicians. Performing at Ronnie Scott's, Southbank Centre, Shambala Festival, 55 Bar in New York, Rotterdam's A Festival Downtown, and Brainchild Festival - to name but a few.

Rob Luft certainly falls well within the category of one of the finest musicians we've had at Hackensack. We've seen him play with the likes of Corrie Dick, Joe Webb, Tom McCredie and Joe Wright and he makes his glorious return this Autumn in the playfully intimate setting that is duo with Lilli Unwin.

#### Choose which you pay

Big Price - £10 - for the arts supporter who would like to chip in that bit extra towards Hackensack's longevity and be remembered dearly

Medium Price - £7 - for the awesome audient, supporting the Hackensack without quite the glamour and philanthropy associated with the big price

Little Price - £5 - for the music lover who's thinking "that's all well and good but I'm a student who's on a budget here and I come to bloody everything anyway so stop pestering me for cash"

### 8: VITOR PEREIRA QUINTET

[www.vitorpereira.net](http://www.vitorpereira.net)

Chris Williams (alto sax) - Alam Nathoo (tenor sax) - Mick Coady (bass) - Adam Teixeira (drums)  
Vitor Pereira (guitar)

Exciting and energetic this band has been mentioned as one of the best live contemporary jazz bands in London at the moment.

Its strong and unique sound has captivated the interest of the Jazz community who called them "intriguing" or "innovative".

From the catchy rock-like riffs to more quiet and mesmerising atmospheres they cover a full spectrum of textures unveiling a vast background of musical influences and leading the listener through a very diverse and 'bumpy' journey.

They jumped into international recognition in 2012 with the release of their critically acclaimed debut album 'Doors' and later with 'New World'.

Vitor Pereira was born in Porto/Portugal where he studied mainly classical music and classical guitar. His interest in Jazz took him to participate in seminars and private lessons with the likes of Pat Metheny, Jonathan Kreisberg, Gilad Hekselman or Aaron Goldberg to name a few and ultimately led him to London in 2004 to study at the "Middlesex University".

Living in London since then he is an active name in the UK and Europe playing with names like: James Allsopp, Asaf Sirkis, Josh Arcoleo, Binker Goldings, Marc Demuth, etc...
