Kanan is a real master with an exquisite touch, a world-class interpreter of standards who has collaborated extensively with jazz royalty including Jane Monheit, Jimmy Scott, Kurt Rosenwinkel and Peter Bernstein. From tender ballads to blistering bop, the group covers a wide range of repertoire ranging from the 20's right up to the present day taking in a variety of styles and moods along the way. The quintet is made up of some of South Wales' most in demand players who between them, have performed and recorded with many of the leading figures in British Jazz. ## FRIDAYS

### **1: THE FUGITIVES**

It might get loud, it might get sweaty but it'll definitely be rocking !!!

Cardiff's premier R&B outfit. From Bayonne to Bristol, the Basque country to Barry Island they are still just as lairy, and just as hairy. For the 16th year in succession, they have been voted the 4th best R&B outfit within a radius of 8.7 miles of Whitchurch village. By the most modest of estimations, they have now played almost 1000 gigs. That's 1000 Princess Margaret jokes and 1000 times Jason has tripped over the microphone stand. Good things never change. The Fugitives. Still the same, still brilliant.
